

Nimbus Price List 2009

Frame Prices

All Frames are individually custom made, either lugged or fillet brazed, and include standard braze-ons for bottle eyes, cable guides on the head tube, down tube shifter bosses, front derailleur mount on the seat tube, and rear cable stop on chain stay..

Priced stove enamelled to a single colour of your choice. If you so desire, custom paint jobs can be incorporated to your design at an additional cost.
